

POENB
Property Owners of Eaton's Neck Beach

2019 Membership Form

POENB needs you today!

For over 60 years, POENB has served as the steward of our beaches at Valley Grove and Price's Bend. Now POENB is embarking on a project to rebuild the failing 40-year-old Valley Grove Bulkhead, in order to protect our shoreline as well as home values throughout our community.

In 2019, we are asking every household to join POENB during this critical year.

If every one of the 419 eligible households becomes a POENB member, we will be able to secure the estimated \$100,000 that is needed for this crucial bulkhead reconstruction project.

With your POENB membership, your household will receive access to our members-only beaches at Price's Bend and Valley Grove; free beach storage for one watercraft; entry to POENB-sponsored events; and—new this year—members-only discounts to area merchants.

Please join POENB today by filling out and returning this form. Thank you for your support!
